A separate application must be filed for each examination. Resumes will be accepted, but may not be substituted for the required application form.

Any applicant receiving an interview will be scored. Any applicant with a passing score of 70% or higher will be retained on an eligibility list for that position for a period of one year. It will not be mandatory to hire the top person on the list.

Eligible applications will be reviewed whenever there is a job opening in that category. The applications of the top five applicants will be examined and the department head will make recommendations. The department head may recommend appointment of any or none of the persons referred. The eligibility list will be considered exhausted when all applicants have failed to reply to notification of interviews by the specified time, or after their application has been reviewed three times without offer of hire.
